

Truck School Run Down:

Step 1: Download CDL Prep. To study for the CDL Permit.

If it says you need to pay, you **don't** need to pay for anything. It has a free study guide side of the app Click the X, usually at the top left corner.

Step 2: CDL Prep will ask you what type of License you need to study for.

Click Class A Commercial.

Step 3: You will click the subjects to study:

- General Knowledge
- Combination Vehicle
- Air Brake Test

Step 4: Make a DOT Physical Exam.

You can call Dr. Shrout 530-241-2149, location at 455 South St.

Fee: \$100 (If you are going through a government agency, please call the office)

Step 5: Study for your permit until you are ready to go to DMV.

Step 6: Go to DMV with the required documents to take the permit exam. No copies of any documents will be accepted. Originals only accepted at DMV.

Fee \$98 (If you are going through government agency, please call the office)
